Safeguarding means that everyone at Barr's Hill is responsible for helping keep you safe and help you to grow up to reach your potential!

Sometimes things go wrong for young people and we will do everything we can to make sure they get the support they need. If you want to share safeguarding information with a staff member, they will let you know that it will be passed on to the Safeguarding Team. They will work with you to make sure the right people can put in the right support.
