COVENTRY SCHOOLS GUIDE 2017

putting students first

and Kayleigh McGhie, who will be going to Manchester Metropolitan University to study law.

Barr's Hill's focus on learning means that it develops the whole child, the school wants all its students to articulate a strong sense of PRIDE, belonging and loyalty to their school and community. Students participate in a very wide range of extra-curricular opportunities, ranging from a debating club, music, languages and drama to a number of sports teams. This year, the school won the city's Basketball Championships.

SUCCESS AND HIGH ASPIRATIONS

Open Evening was a roaring success. Barr's Hill School was inundated on a very busy evening and expects to be oversubscribed next year. Parents were blown away by high aspirations, the academic curriculum and the school's friendly and energetic staff. One parent said: "I came to visit Barr's Hill School just for a look, but now I am definitely planning to send my son

here, it was great to see how well the evening was executed and what the school has to offer."

For new Year 7 students joining, a highly-praised transition programme delivers a series of carefully organised events throughout the spring and summer months. The programme ensures that new students joining Barr's Hill School feel confident, safe and happy and can therefore make a flying start and progress from the moment they join Year 7.

Older students now benefit from Post 16 Select. This is a joint venture between President Kennedy School and Barr's Hill School that allows students in Year 11 to choose from a wide range of courses to study in the Sixth Form and benefit from the best teaching and educational experiences available from both schools.

Making the grade in 2017, securing places at top British Universities - Barr's Hill School's values are clear and lived by all its staff. Student's first, it's about learning, no barriers.
