

Uniform

Aims of Uniform Policy – Students are expected to take a pride in their personal appearance and to be as smart and well presented as possible. Through our uniform and dress codes we aim to:

- Encourage pride in the school;
- Support an orderly school environment;
- Enable students to be comfortable, safe and secure;
- Ensure that students different social, religious and ethnic groups feel welcome and included;
- Prepare students for the world of work;
- Protect students from social pressures to dress in a particular way.

In this way the uniform and dress code contribute to overall aims of the school.

All students wear school uniform or the sixth form dress code. Parental co-operation is vital in maintaining high standards and is greatly appreciated.
