

17 December 2018

Dear Parents and Carers

### **Consultation on Admissions Policy for September 2020**

The Governing Body is consulting on the school's Admissions Policy for September 2020. It is intended to continue with the current admission number of 131, which complies with capacity recommendations and the oversubscription criteria will remain unchanged.

A consultation period will take place from 17 December 2018 until 28 January 2019, during which time the proposed policy will be posted in full on the websites of the School and the Local Authority. During this time, the Governing Body would welcome comments on the proposed policy, all of which will be carefully considered prior to the final submission to the Coventry Local Authority in February 2019.

Anyone wishing to respond to the proposals should contact our School Business Manager, Bernard Peffers, who can be contacted via email, telephone or post on the contact details at the top of this letter.

Yours sincerely

Mr C Jupp
