

## Meet the Year 7 Tutors

Hello! I will be one of your tutors when you come to Barr's Hill in Year 7. I teach Food Technology, so there is always something good cooking in my room! I am really excited to meet you all in September and can't wait to start teaching you all some new cooking skills! I really enjoy anything Marvel ... Captain America being the best! Don't get me started on Harry Potter I'll talk for England about that and obviously anything cooking related I love!

**Mr Hughes**

Welcome to Barr's Hill School Year 7! I am Miss Leavy and I have been teaching here for 5 years. Music is my specialist subject and I teach all year groups and lead a selection of music clubs for anyone to attend. Outside of school, I enjoy taking my little boys out on walks in the countryside; exploring mountains; running (I am training for the Coventry Half Marathon at the moment) and watching air shows alongside my obvious music interests (playing the piano and singing). I look forward to meeting and teaching all of you and I am excited to hear all about your interests too.

**Miss Leavy**

I will be one of the Year 7 tutors in September. I love being an English teacher because I get to share an incredible world of books and ideas with my students. My favourite things to do when I am not teaching is reading and walking. I like to read all kinds of books from very old classics to Science Fiction. I also like walking in the countryside, so I can experience nature. I know that moving from primary school to secondary school can be a bit scary, but don't worry. I will be here to support you and hopefully make it easier.

**Ms Saeed**

I am one of the Year 7 tutors in September. I will also be coming round your lessons too, to see how well you're doing. I'll also get to know your parents and together we'll give you the best possible start to the exciting next stage of your education. I really look forward to meeting you.

**Mr. Orchard**

## Meet the Year 7 Tutors

Welcome to new beginnings, new opportunities and new faces.

Hi all, my name is Miss Mattu and I will be joining you in the Bridge! For some of you I will be your Tutor, English teacher or even both. We can't wait to have you here with us at Barr's Hill and we look forward to meeting you in September.

**Miss Mattu**

Welcome to the Bridge. You find yourselves in the exciting position of having two tutors with myself and Miss. Leavy. I am also part of the Bridge Team so you will be seeing lots of me in your lessons too! We are looking forward to welcoming you to school and getting to know lots of things about you.

**Miss. Kenny**

Hi year 7!

I am also going to be new to the school, we can help each other settle in and I am going to count on you to be my map as I am useless with directions or finding places. I love animals especially dogs so any of you have dogs/ pets or any cool encounters - I want to know all about them as you will be hearing all about my puppy called Bryn. I teach Science so some of you may have me for both Science (Biology is my favourite.)

Cannot wait to meet you all! Enjoy your summer,

**Miss Chappell**

I am excited to be part of your new journey in secondary school, starting off in the Bridge. This is my 12th year at Barrs Hill and there is nowhere else I'd rather be! I teach Art and Photography and run the Duke of Edinburgh Award. My hobbies include painting, sports like netball, going to the cinema and reading. I'm currently re reading the Harry Potter series! have high expectations of you all for this year and beyond - good team work, dedication, resilience, kindness, caring, maturity and motivation.

**Mrs Stafford**
