

Covid-19: Operational Risk Assessment.

Opening of secondary schools January 2021 and response to COVID outbreak (Updated 25th February 2021)

Coventry School Partnership: Covid19 Operational Risk Assessment – Opening of Secondary Schools

1. Introduction:

Coventry's Partnership of schools have agreed a collaborative and consistent approach to secure the ongoing safety of pupils, staff and the community throughout the Pandemic.

In reviewing this guidance in the context of the National Lockdown announced on 4th January 2021, the Local Authority has had regard to advice from both the Health and Safety Executive and Government. It has noted that the Government has made clear that their advice *"does not supersede any legal obligations relating to health and safety, employment or equalities and it is important that as an employer you continue to comply with your existing obligations"*. [Health and safety: responsibilities and duties for schools](#) Consequently, Health and Safety Legislation continues to take precedence.

This risk assessment guidance:

- Sets out the current context and statutory health and safety obligations
- Reflects the principles set out in Coventry schools Covid-19 Re-set and Recovery Plan in March 2020, which have not changed
- Sets the context for reviewing a risk assessment to "break the chain of transmission" of the disease within the school context, taking into account the Government's guidance issued on
- Provides an exemplar risk assessment that can be adopted and adapted to any educational setting
- Incorporates hyperlinks to sources of helpful information and resource

What is the risk? Covid19 is an infectious disease recognised internationally as a pandemic, the transmission of which must be controlled. Whilst it is reported that the impact of the virus has not changed since March 2020, increased social contacts and the new variant have combined to significantly increase transmission rates. Improved access to testing, including lateral flow tests has identified asymptomatic cases (no symptoms) within the community, that if not isolated early present a further transmission risk, which needs to be controlled as far as is practicably possible.

The National Lockdown aims to mitigate the risk of spiralling transmission rates (reduce the R) by minimising social contact across the Country, not in individual organisations. The Government's rationale for schools remaining partially open (special schools and Alternative Provision are expected to remain fully open) is to provide face to face teaching to vulnerable children and the children of critical workers. For vulnerable children the decision is a balanced risk judgement based on safeguarding, mental health and academic progress. Research from the Lockdown in March 2020, identified that vulnerable children including those with SEND were disproportionately impacted by not being in school. Provision for the children of critical workers is intended to ensure that services can continue to operate, including education, health and social care. For details see: [Actions for schools during the coronavirus outbreak](#) and [Children of critical workers and vulnerable children who can access schools or educational settings](#) . It is noted that the children of critical workers guidance was revised on the 8th January 2021 to **"clarify that parents and carers who are critical workers should keep their children at home if they can"** .

This risk assessment therefore continues to focus on actions that are **reasonably practicable** to implement, that will reduce the risk of transmission of Covid19 within the school community

Who is responsible? The employer is responsible for making sure that risks, particularly the risks to staff and pupils, are managed so far as is reasonably practicable. For maintained schools the employer is Coventry City Council, for Academies it is the Academy Trust.

Whilst it is recognised that the employer cannot delegate the overall legal accountability for the health and safety of employees; the day-to-day running of the school including responsibility for the health and safety of staff and pupils is ordinarily delegated to the head teacher and school management team.

Reference: <https://www.hse.gov.uk/services/education/sensible-leadership/school-leaders.htm>

2. Overview of Actions required for safe methods of working:

- Put in place sensible and proportional approaches to minimise the risk of Covid19 transmission to staff, pupils and visitors whilst in school.
- Communicate the risks and required safe methods of working to all building users and monitor compliance
- Ensure that staff (employees) have the relevant information and training to manage risks on a day to day basis, including access to competent health and safety advice where needed and that they understand their personal responsibility for their safety and the safety of others.
- Check that the control measures have been implemented and remain appropriate and effective.
- Ensure that the control measures are monitored throughout the day and reviewed where necessary.

2.1 Key message:

Good health and safety is about keeping things simple, being proportionate and focusing on the real (substantive) risks. Procedures should be clear and concise with assessment of risk being practical. Good leadership is about getting the balance right on managing risk rationally, it is not about trying to eliminate it altogether.

2.2 What leaders need to do:

- Ensure that the school is following the employer's health and safety policy and has effective arrangements for managing the health and safety risks at the school.
- Maintain effective communications with employers, governors, and the school workforce, and give clear information to pupils and visitors, including contractors, regarding any significant risks on site.
- Make sure that the staff have the appropriate training and competencies to deal with risks in their areas of responsibility.
- Consult and work with recognised TU safety representatives/employee representatives and safety committees. It is a legal requirement that employers must consult with the health and safety **representative** selected by a recognised trade union or, if there isn't one, a representative chosen by staff
- Make sure that staff understand their responsibilities and know how to access support and advice to help them manage risks responsibly.
- Provide visible leadership to the whole school so that staff feel motivated, supported and empowered to focus on the things that really matter.

See: <https://www.hse.gov.uk/services/education/sensible-leadership/leadership-test.pdf>

3. Locally agreed Principles:

Coventry schools Covid-19 re-set and recovery Plan' May 2020 set out agreed principles to secure the wider reopening of schools. The following five principles remain relevant during the current lockdown period.

- The safety of everyone in school is paramount
- A consistent and co-ordinated approach and communication will be maintained across the Coventry school system

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

- The absolute focus on encouraging all eligible vulnerable children to return to school will be maintained alongside provision for children of critical workers
- Adherence to social distancing will be maintained as far as practicably possible in all classroom and school environments
- School organisational planning will minimise the number of pupils that each staff member has contact with

4. What we know:

The World Health Organisation (WHO) confirms that data from published epidemiology and virologic studies provides evidence that COVID-19 is primarily transmitted directly from symptomatic people (those infected with Covid19 displaying symptoms) to others who are in close contact with the infected person. Respiratory droplets are passed on directly through coughing and sneezing, or indirectly by contact with contaminated objects and surfaces; where the virus may be transferred from the surface to the hand and then the face - eyes, nose or mouth. It is understood that people can be infectious before their illness starts. It is now evident that infection can be asymptomatic (no symptoms) thereby presenting a higher risk of unintentional transmission. Therefore, to minimise the risk of transmission, settings must put into place effective infection protection and control. Ensuring appropriate social distancing in school, meticulous hand hygiene practice all serve to reduce risk significantly.

The hierarchy of controls: if properly implemented will substantially reduce the risk of transmission of infection.

These include:

Exclusion:-

- Minimising contact with individuals who are unwell by ensuring that those who have coronavirus symptoms, or who have someone in their household who does, do not attend childcare settings, schools or colleges. Covid19 tests for symptomatic household member/s to confirm or negate a diagnosis should be promoted.
- Clinically extremely vulnerable individuals will receive a letter from the NHS or a medical specialist and are **advised** to shield and not to work outside the home.
- Clinically vulnerable individuals who are at higher risk of severe illness (for example, people with some pre-existing conditions as set out in guidance). Clinically vulnerable staff can continue to attend school where it is not possible to work from home, but most maintain good prevention practice in the workplace and home settings.

Hygiene:-

- A stringent cleaning regime should be in place [COVID-19: cleaning in non-healthcare settings](#). At the highest level this could follow the advice set out in: [Covid-19-decontamination-in-non-healthcare-settings](#)
- Frequent cleaning and disinfecting of objects and surfaces that are touched regularly (touch points), should be undertaken using standard cleaning products or antiseptic wipes, both of which kill the virus. This may require settings to enhance cleaning capacity. It should be recognised that cleaners and caretakers provide the frontline in protecting everyone in school, but health and safety is everyone's responsibility so cleaning tasks may be undertaken by any member of staff as appropriate.
- Socialising hygiene routines including regular hand-cleaning regimes - washing hands thoroughly for 20 seconds with running water and soap, drying them thoroughly or using alcohol hand rub or sanitiser ensuring that all parts of the hands are covered. Identify specific situations when additional handwashing is required

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

- Ensuring good respiratory hygiene by promoting the ‘catch it, bin it, kill it’ approach with follow up handwashing and cleaning/wiping of any contaminated area followed by safe disposal of waste
- Maximise natural ventilation and access to the external learning environment, whilst maintaining a comfortable working temperature within school see: [air conditioning and ventilation during the coronavirus outbreak](#)

Social Distancing:-

- Secure social distancing whenever practicably possible, through footfall management and planned supervised movement throughout the school building
- Regulate entry so that the premises do not become overcrowded at any point and no ‘pinch points’ are experienced at ingress or egress
- Where it is possible to remain 2 metres apart, use floor markings/signage to mark the distance and facilitate compliance, particularly in corridors, hand cleaning areas, toilets and internal and external communal break areas
- Ensure the environment (such as classroom layout) and timetables are conducive with social distancing – remove all clutter and non-essential resources
- Minimise social contact by forming small fixed groups of staff and children and avoiding movement between or blending of groups whenever possible
- Where face-to-face contact is essential, this should be kept to 15 minutes or less whenever possible, contact should be side by side.
- Social distancing is not required in an emergency situation, e.g. medical emergency, fire evacuation etc. PPE should be used in a medical emergency if time permits (a first aid supply of PPE is provided to all schools to secure an individual emergency situation, for example a sudden illness that may be Covid19 symptomatic of a child or staff member in school)

Lateral Flow Testing:-

- Take active steps to identify asymptomatic cases within the school community, though the promotions of regular (at least weekly) community or on-site lateral flow testing for all staff and pupils year 7 and above, adhering to the [Mass asymptomatic testing: schools and colleges](#) safe operating procedures if based in school.

5. Summary:

These underlying principles are the key focus for organising all aspects of the school day and need to be built into the operational routine. A model Covid19 operational risk assessment has been developed for City-wide use, which is pre-populated with generic safe methods of working. If adopted, this will need to be adapted to each specific setting. In addition to infection control, the risk assessment template and supporting resources extends to support additional health and safety considerations related to the consequences of Covid19 specifically:

- Securing provision for SEN – balancing the risk of allowing external visitors into school with the duty of best endeavours to provide
- Health and safety audit of the school building checklist – for use by class teachers (HSE) to ensure that the overall building is safe to use in terms of trips, falls, lighting, electricity hazards etc.
- Staff audit and recovery plans for absence of leadership, teachers, non-teaching staff, cleaners, first-aiders and DSL
- Communicating with parents, staff, visitors and the general public
- Supporting the mental health and well-being of everyone in school
- Delivering remote learning at an equivalent level to school attendance

Model COVID-19: Operational risk assessment for school reopening

Please note: this risk assessment should be undertaken in conjunction with the covering guidance which absorbs statutory requirements and Government guidance available as at **22nd February 2021**. Control measures have been used to exemplify actions that could be taken to mitigate the risk, which you can use or change. Please add additional Activity (risks) as deemed necessary and delete any activity that does not apply to your school. The table is designed to enable you to re-order risks/priorities as required.

In line with Department for Education guidance, this risk assessment has been reviewed and updated ahead of the new Spring Term. The review has included a consideration of any additional risks and the school's compliance with the control measures within current Government Guidance intended to reduce the residual risk to its lowest possible level. The school confirms that the controls it has in place are working as planned and are updated appropriately based on any issues identified and changes in public health advice.

Risk rating High (H), Medium (M), Low (L)		Likelihood of occurrence				
		High (very likely)	Medium (possible)	Low (remote)		
Assessment conducted by:	Craig Beasley	Job title:	Assistant Headteacher – Director of Operations	Covered by this assessment:	Staff, pupils, contractors, visitors, volunteers	
Date of last assessment:	5 th February 2021	Review interval:	When government guidance changes	Date of next review:	5 th March 2021	
Activity	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Additional controls	Residual risk rating (H/M/L)	Staff responsible
1. Establishing a gradual and safe approach for pupils and staff to return to school:						
1.1 Establishing if the building is safe following an extended closure or significantly reduced use of building						
Health and safety risk assessments have not been reviewed. The health and safety audit is overdue. Covid19 Operational Risk Assessment – planned opening of Secondary Schools

				Zone timetable reduces student movement and therefore possible contact. Specialist areas provided within timetable with cleaning windows introduced so specialist resources can be shared between year groups		CBE/RCL
Statutory compliance has not been completed due to the availability of contractors during lockdown	M	<ul style="list-style-type: none"> All statutory compliance is up to date. Where water systems have not been maintained throughout lockdown, chlorination, flushing and certification by a specialist contractor has been arranged. 	Yes	All compliance checks (internal and external) have continued while school has been closed and recorded on EVERY.	L	SPR
1.2 First Aid/Designated Safeguarding Leads						
The lack of availability of designated First Aiders and Designated Safeguarding Leads may children’s safety at risk	M	<p>If the DSL is not on site because of operational challenges, the following cover arrangements are in place:</p> <ul style="list-style-type: none"> a trained DSL (or deputy) from the school will be available via phone or online video, e.g. working from home access to a trained DSL from a partner school, will be available via phone or online video <p>Where a trained DSL (or deputy) is not on site, a senior leader should take responsibility for coordinating safeguarding on site.</p>	Yes	Sufficient team (6) of first aiders internally available. Training (standard procedures) received on accurate use of infrared thermometers and the donning/doffing of PPE Members of safeguarding team located on site daily	L	SPR/DOL
2. Securing safe teaching spaces to accommodate all pupils returning to school						
2.1 Organisation of teaching spaces and communal areas						
Classroom sizes will not allow adequate social distancing	M	<ul style="list-style-type: none"> Class sizes revert to 30 in recognition of Government advice that children are not at significant risk Timetables and staffing model determined to secure curriculum delivery for class/group size Classrooms are re-modelled, with chairs and desks in place to allow for social distancing. Any surplus furniture including ‘spare’ chairs are removed if possible and area de-cluttered Clear age appropriate signage displayed in classrooms promoting social distancing see: E-bug posters 	Yes	<p>Social distancing posters displayed on room entry (door) with clearly defined 2m taped (reset 26/10/20 and 04/01/21) area for each teacher workspace.</p> <p>Where rooms allow 3m+ distance between teacher station and front row desks.</p> <p>If group sizes allow front row desks to remain unused</p>	L	<p>SPR</p> <p>SPR</p>

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

		<ul style="list-style-type: none"> Ensure class groups and staff stay together consistently and do not mix or blend with other groups 		<p>For spring term 1 KW/vulnerable bubble rooms to hold no more than 15 students. From 15th March this will increase to 30 pupils</p> <p>Child seating facing forward with students sitting side by side 2m apart. Where seating is fixed temporary screens in place as barrier between face to face positioning between students</p> <p>Planned zonal timetable for each year group to minimise mixing while on site</p> <p>Room entry and exit protocols implemented by staff to maintain distancing when movement is required</p>		RCL/CBE
<p>Bubble sizes are not supporting the principle of minimising the number of social contacts in school, because they are too big and overlap</p>	H	<ul style="list-style-type: none"> Teaching groups ('bubbles') are as small as possible, and maximise the distance between pupils; between pupils and staff and between adults. A full-size mainstream classroom this is likely to safely accommodate circa 30 pupils Arrangements to safely support pupils requiring individual support and intervention are in place supported by a pupil specific risk assessment Arrangements to maintain consistent groups of staff and pupils as far as is practicably possible are in place The timetable in structured and non-structured times strictly limits the interaction and the sharing of rooms and social spaces between groups as much as possible. Teachers and staff can operate across different groups if necessary, to secure capacity and deliver a broad curriculum, but must observe social distancing to reduce the risk of transmission between bubbles if possible Gatherings e.g. assemblies must not involve more than one bubble 	Yes		L	RCL CJU
<p>Large spaces that need to be used as classrooms</p>	L	<ul style="list-style-type: none"> Set group size limit for large spaces (e.g. hall, sports hall, dining hall) that match teaching group size. Large gatherings of pupils and/or staff are prohibited, compliance is supported by signage, training and monitoring Design layout and arrangements in place to enable social distancing. 	Yes	<p>No assemblies phase 1 (September)</p> <p>Virtual assemblies for Spring term 1 and spring term 2</p>	L	CBE

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

				Staff training limited to groups of 8 in sports hall with chairs 3m+ apart		
Staff rooms and offices do not allow for observation of social distancing guidelines	M	<ul style="list-style-type: none"> Staff rooms and offices have been reviewed and appropriate configurations of furniture and workstations have been put in place to allow for social distancing. Staff are discouraged from congregating in communal spaces and are encouraged to eat observing social distance alone or with their designated team Staff using a communal area do so in their designated groups only and the area is cleaned before being occupied by another group 	Yes	<p>Portable segregation screens provided to staff for personal use when required</p> <p>Staff bring own food for lunch or pre-order from canteen and delivered to staffroom.</p> <p>Workspaces in staffroom 2m apart and well ventilated. In office areas where 2m distance cannot be maintained, staff are strongly recommended to wear face coverings</p> <p>Humanities to reduce to 2 staff in Gg office and no more than 3 in Hi office. Site services office to house only 2 people at any one time</p> <p>For all meetings staff to be at least 2m apart and in a well ventilated space. Where this is not possible Teams to be used.</p> <p>040121 - All meetings where possible to be virtual. Meetings deemed essential requiring face to face, masks to be worn, 3m apart/significant screening</p>	L	CBE
School kitchens may not be able to serve whole school return	M	<ul style="list-style-type: none"> Government advice confirms that school kitchens can continue to operate, the kitchen will comply with guidance for food businesses on coronavirus (COVID-19) 	Yes	<p>Three grab and go areas created with two lunchtime breaks so 3 year groups at a time can collect food without breaking zonal social distancing. Other 3 year groups pre-order each week for delivery to designated social space</p> <p>Kitchen closed from 16/01/21. Reopens from 15/02/21. Parents affected informed. School utilising FSM voucher system</p>	L	CBE

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

Physical activity in school	M	<ul style="list-style-type: none"> ▪ Pupils to be kept in consistent groups within bubble ▪ Sports equipment to be thoroughly cleaned in between each use by a different group ▪ Sports whose national governing bodies have developed guidance under the principles of the government’s guidance on team sport and been approved by the government are permitted. The school will only provide team sports on the list available at return to recreational team sport framework ▪ Where possible outdoor sports will be prioritised and large indoor spaces used when necessary, maximising distancing between pupils and adhering to stringent cleaning and hygiene ▪ External facilities are used in accordance with Government guidance ▪ guidance on the phased return of sport and recreation and Sport England include activities such as active miles and active travel to promote social distancing exercise 	Yes	Additional equipment purchased so each Year group has own set. Where this is not possible cleaning protocols in place. Contact sports avoided	L	SPR/NMA
Securing good ventilation of occupied spaces results in areas being too cold to work in comfortably	H	<p>To balance the need for increased ventilation whilst maintaining a comfortable temperature, the following measures should be used as appropriate (as advised by the Health and Safety Executive (HSE) see guidance on air conditioning and ventilation during the coronavirus outbreak and CIBSE coronavirus (COVID-19) advice):</p> <ul style="list-style-type: none"> ▪ opening high level windows in preference to low level to reduce draughts. Windows should be opened just enough to provide constant background ventilation and opened more fully during breaks (for examples, between classes, during break and lunch, when a room is unused) to purge the air in the space). ▪ Opening internal doors can also assist with creating a throughput of air ▪ Opening external doors may be considered (as long as they are not fire doors and only where safe to do so) ▪ Flexibility on school uniform will be allowed to enable pupils to wear additional, suitable indoor clothing. For more information see School uniform ▪ Where possible furniture will be arranged to avoid direct drafts ▪ mechanical ventilation systems should be adjusted to increase the ventilation rate wherever possible, and checked to confirm that normal operation meets current guidance (if possible, systems should be adjusted to full fresh air or, if not, then systems should be operated as normal as long as they are within a single room and supplemented by an outdoor air supply) 	Yes		L	CJU CBE SPR

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

		Heating should be used as necessary to ensure comfort levels are maintained particularly in occupied spaces				
2.2 Availability of staff and class sizes						
The number of staff who are available is insufficient to safely teach classes in school, operate effective home learning schemes and safeguard children not in school	H	<ul style="list-style-type: none"> ▪ The health status and availability of every member of staff is known and is regularly updated so that deployment can be planned. ▪ Any staff member who is identified as clinically extremely vulnerable are strongly advised by the NHS to stay at home and cannot be allowed in school for their own protection ▪ Staff members who are clinically vulnerable can work in school if it is not possible to work from home but must adhere to Covid-19 safety measures for their protection and the protection of others as set out in their VERA ▪ Staff are aware of the current symptom checker for Covid-19, including high temperature, persistent cough and loss of taste and smell and understand that they are not permitted to attend school if they or a household member is symptomatic ▪ All staff are aware of the testing procedure and know that they are required to report their illness or the illness of a household member immediately to enable testing to take place within 3 days of onset. ▪ Full use is made of those staff who are self-isolating or shielding but who are well enough to teach lessons online. ▪ Flexible and responsive use of teaching assistants and pastoral staff is in place to supervise classes under the direction of a teacher if required ▪ If classes in school cannot be delivered because is staffing capacity is depleted a blended model of home learning and attendance at school will be utilised temporarily, until staffing levels improve. Any temporary change in provision for vulnerable or critical worker children will be risk assessed against safeguarding criteria in consultation with partners, with a clear plan of return. ▪ An appropriate hierarchy of deputisation is in place should a senior leader be unavailable. This might include external leadership capacity 	Yes	<p>Staff audit has been carried out and updated 17/07/20, 04/01/21</p> <p>Contingency planning in place for staff not reporting for work under section 44</p> <p>Internal cover capacity created</p> <p>Individual RA's where required have been completed and appropriate actions/support put in place. These are currently being reviewed again following updated guidance 080321.</p> <p>Where requested staff provided with medical grade face masks</p> <p>Staff reminded on TTDs and (presentation - 040121) and receipt of updated staff wellbeing tool kit including symptom checker, isolation requirements and reporting arrangements to access testing through HR. Declaration signed</p> <p>Staff working from home are deployed on virtual school tasks directed by T+L team or HOF</p> <p>Support staff have been utilised to support timetabled activities where appropriate</p> <p>Planned timetable supports phased progressive reintegration into school</p> <p>Full SLT is on site each day with external support from TRUST if required</p> <p>Majority of staff including CEV working from home from 040121. TTD scheduled for</p>	L	<p>CJU/SGA</p> <p>RSM</p> <p>SLT</p> <p>CJU</p> <p>RCL</p> <p>RCL</p> <p>RCL</p> <p>SLT</p>

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

				29/01/21 to be delivered virtually From 080321 - Where staff are not students facing and not required to be on site for safeguarding or pupil management purposes and their role can be undertaken from home they will continue to work from home or a mix of home and in school working to reduce risks. For example finance, exams, data, HR.		
2.3 Testing and managing symptoms						
Testing is not used effectively to help manage staffing levels and support staff wellbeing	H	<ul style="list-style-type: none"> Guidance on accessing a priority test for symptomatic household members has been brought to the attention of all staff Staff share the outcome of the test with their employer The school, staff and parents engage with the Test and Trace processes Lateral Flow Testing will be carried out for children attending school, subject to parent consent and staff at point of return to school. If there is a positive result following an LRT then the person will be sent home to self-isolate but is no longer required to undertake a PCR test. More detail related to Lateral Flow Testing is contained in each school's Standard Operating Procedure (SOP). 	Yes	Testing process via HR shared with all staff. Has been reinforced as part of updated well-being pack. Test and trace weekly reminder within newsletter In line with Government Guidance, secondary schools are to introduce lateral flow testing. Once this is introduced, staff attending school will be offered the option to take part in lateral flow testing	L	CJU
Infection transmission within school due to staff/pupils (or members of their household) displaying symptoms The new variant COVID-19 means that the risk of transmission has increased.	H	<ul style="list-style-type: none"> Ensure that pupils, staff and other adults do not come into school if they have coronavirus (COVID-19) symptoms or have tested positive in the last 10 days and ensure anyone developing these symptoms during the school day is safely sent home and instructed to arrange a Covid-19 test. Any household members within school will be sent home to self-isolate for 10 days or until the test result is known and is negative Engage with the NHS Test and Trace process Contain any outbreak by following local public health protection advice contact: Public Health England health protection team Pupils, parents and staff are aware of what steps to take if they, or any member of their household, display symptoms. This includes an understanding of the definitions and mitigating actions to take in 	Yes	Letter and guidance pack to parents. Guidance provided on website from 170720 Attendance systems reset up on SIMS Attendance policy updated so that symptomatic students will be sent home ASAP. Daily monitoring will continue with test outcomes informing actions as instructed by local HPTs (health protection teams). The student (and siblings) will be sent home immediately and not		CJU RCL RCL CJU/CBE

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

		<p>relation to the terms clinically vulnerable and clinically extremely vulnerable should these apply.</p> <ul style="list-style-type: none"> ▪ Robust collection and monitoring of absence data, including tracking return to school dates, is in place ▪ Procedures are in place to deal with any pupil or staff displaying symptoms at school. This includes safe isolation procedures, departure and cleaning. ▪ A record of any COVID-19 symptoms in staff or pupils is reported to the trust or local authority. Public health advice is followed. 	<p>return for 10 days (14 days for siblings) to allow for isolation unless a test is negative. RIDDOR process will be followed according to guidance. Staff well-being pack includes full detail of all processes and altered policies. Data team report pupil figures to LA/TRUST daily as needed. Staff figures reported to HR All staff are encouraged/ supported in the use of the track and trace APP</p> <p>The Local PHE team are monitoring local transmission rates. On 3/01/21, they reported that: 'Whilst Coventry is in Tier 4, the local epidemiology data does not meet the criteria to be escalated through the published education tier guidance to the Secretary of State. Public Health colleagues in Coventry, have confirmed that our data in terms of positive cases and rates, does not justify the forced closure of schools. At this stage our numbers are far lower than other parts of the country and the magnificent COVID-compliant work and procedures undertaken by all our schools has played a significant part in keeping these numbers down. However, our Public Health team continue to monitor, review and assess the data but at this time can provide no rationale for widespread closures.'</p>	<p>L</p>	<p>CBE</p> <p>RCL</p> <p>CBE</p> <p>CJU</p>

		<ul style="list-style-type: none"> All systems and procedures are visibly modelled by leaders and routinely monitored and reviewed throughout the day. 		Staff will be provided with virtual experience during TTD on 10 th July and update on 1 st September		CJU
Parents and carers may not fully understand their responsibilities should a member of their household or a child show symptoms of COVID-19	H	<ul style="list-style-type: none"> Key messages in line with government guidance are reinforced on a weekly basis via email, text and the school’s website. Parents are enabled to understand that they should not send their child to school if they are ill, for whatever reason 	Yes	Newsletter Website Text messages Letters Parental Guidance Pack FAQs	L	CJU RCL/AMI Hub Hub CBE CBE
4 Planning movement around the school						
Movement around the school risks breaching social distancing guidelines	H	<ul style="list-style-type: none"> Circulation plans have been reviewed and revised. One-way systems are in place where possible. Corridors are divided where feasible. Appropriate signage is in place to clarify circulation routes. Pinch points and bottle necks are identified and managed accordingly. Movement of pupils around school is minimised as much as possible, with pupils staying in classrooms and utilising any external learning environment that is available Pupils are regularly briefed regarding observing social distancing guidance. Appropriate levels of supervision and guidance are in place 	Yes	Drafted and reviewed Zones in place for each Year group (including social space) ensuring narrow corridors do not need to be divided. Signage in place to reinforce circulation. Staff placed on identified pinch points with room exiting protocols having delayed exit timing to remove possibility of congestion. Pupils remaining in learning area and only leave to go to toilet or leave site. Students reminded daily verbally and through signage of the importance of social distancing measures. Students and staff that do not have a confirmed exemption will be expected to wear face coverings in classrooms during lessons, as well as in corridors and indoor communal spaces. Staff are not required to wear a mask from	L	CBE/CJU/SPR SPR SPR SPR RCL/CBE Staff RCL/CBE

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

				within their COVID boxed area within a classroom when teaching. Where required face coverings have been provided. All areas utilised are supervised at all times when students are present		
4.1 Management of social distancing in the reception area						
Groups of people gather in reception (parents, visitors, deliveries) which risks breaching social distancing guidelines	M	<ul style="list-style-type: none"> No visitors are allowed on the premises without a pre-arranged appointment. If a visit can be arranged out of school hours, it should A record of all visitors and their contact numbers are obtained and retained for the purposes of Test and Trace procedures Any visitors are provided with clear guidelines on behaviours whilst on premises – ideally sent electronically in advance of the visit Non-contact signing in arrangements are in place that do not require writing or electronic entry by the visitor Social distancing points are clearly set out, using floor markings, continuing outside where necessary. Social distancing guidance is clearly displayed to protect reception staff (e.g. distance from person stood at reception desk). Non-essential deliveries and visitors to school are minimised. Arrangements are in place for segregation of visitors. Visitors are required to wear face coverings in all public areas unless they have a medical exception and arrangements can be put into place to mitigate any additional risk 	Yes	Parental guidance includes clear information about visitors policy - reception notified via phone call prior to visit. Whilst remote education is in place essential visitors only accepted on site All parent meetings by phone where possible Visitor handbook updated Reception to record staff/visitor attendance and contractor details Tape and signs external to reception entrance repeated inside reception with waiting areas provided. Reception area screened. Deliveries to be accepted only at compound gate. Site services notified by phonecall so collection can be authorised	L	CIU Hub Directors RSM CBE SPR
4.2 Management of Aggress and Egress – arrival and departure						
The start and end of the school day create risks of breaching social distancing guidelines		<ul style="list-style-type: none"> Parents have clear information on drop-off, pick up procedures whether on foot or driving with clear signage in place Start and departure times are staggered to reduce pinch points and risk of breach if this is possible without reducing the overall teaching time for pupils A clear traffic management scheme is in place that allows safe queuing of vehicles monitored on the school gate with a drop-off and go procedure in place 	Yes	Parental Guidance and protocol placed on website under COVID section. Car park signage in place Timetable reflects staggered approach		CIU SPR RCL CBE CBE

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

	H	<ul style="list-style-type: none"> All available safe exits are utilised to leave the school building, with clear safeguarding procedures in place to ensure children are handed over to their parents Segregation of groups is considered wherever practicable Floor markings are visible where it is necessary to manage any queuing. 		<p>Year groups utilise allocated entrance/exit (3) at allocated staggered times (2)</p> <p>Each bubble is housed in zones with distinct boundaries</p> <p>Floor markings in place in all areas where student/parent movement is required</p> <p>For January return first half term to utilise single entrance/exit onto site due to reduced student numbers</p>	L	SPR
Pupils and parents congregate at exits and entrances, making social distancing measures difficult to apply	H	<ul style="list-style-type: none"> Start and finish times are staggered. The use of available entrances and exits is maximised. Social distancing guidelines are reinforced at entrances and exits through signage and floor/ground markings, including external drop-off and pick-up points. Weekly messages to parents stress the need for social distancing at arrival and departure times. Year 10 from wc 19th October will finish at 3.00pm. Due to the vast majority of Year 11 remaining on site after 3pm on Mondays, Wednesdays and Thursdays and the use of separate pathways leading to the main school gate exit, social distancing between Year 10 and 11 can still be maintained. 	Yes	<p>Timetabled</p> <p>Three entrances/exits used except when vast majority of students are receiving learning remotely. In this scenario only one entrance/exit in use</p> <p>Clear signage implemented</p> <p>Car park signage in place</p> <p>Through newsletter and website</p>	L	<p>RCL</p> <p>CBE</p> <p>SPR</p> <p>SPR</p> <p>CJU/AMI</p>
Pupils use public transport and thereby increase risk of infection and transmission	H	<ul style="list-style-type: none"> Public transport is defined as transport used by the general public. If children use a public bus to come to school they will have to wear a face covering if they are over the age of 11. Staff using public transport must ensure that they safely remove their face covering on arrival at school and store it safely and hygienically in a sealed plastic bag or container – staff are advised to carry a spare face covering. School transport commissioned by the LA (excluding the use of public buses via a bus pass) are not available to the general public and therefore risk is reduced by the controls deployed by the LA and provider risk assessments Parents and children will be discouraged for using public transport if there is another practical mode of getting to school including, walking, cycling (if safe) or family car. Personal budgets will be promoted to families entitled to free home to school transport by the LA and the school to minimise risk and secure capacity for families that need dedicated transport the most 	Yes	<p>Students wearing masks are supported/reminded to remove safely, clean hands and replace if requested with new mask while on site</p> <p>Parents/students strongly encouraged to avoid public transport and either walk, cycle or drive</p>	L	<p>Entrance/exit supervisors</p> <p>CJU</p>

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

4.3 Consideration of how to reduce contacts and maximise distancing between those in school wherever possible and minimise potential for contamination as far as is reasonably practicable						
<p>Formulating group sizes to minimise contacts and mixing whilst delivering a broad and balanced curriculum</p>	<p>H</p>	<ul style="list-style-type: none"> ▪ Group pupils together to reduce as far as possible the number of contacts between children and staff, to a size that balances the requirement to deliver a broad and balanced curriculum. The maximum group size is one year group. The ideal group size is one class group ▪ Maintain as far as possible the consistency of group members. ▪ Avoid contact between groups as far as possible ▪ Staff to maintain distance from pupils and other staff as much as possible ▪ Children should only be placed in larger groups if they are able to observe social distancing otherwise, they must be placed in a class group. ▪ limit interaction, sharing of rooms and social spaces between groups as much as possible. ▪ younger children will not be able to maintain social distancing, and it is acceptable for them not to distance within their group. ▪ where possible children may spend the majority of their time in their class groups, but will be allowed to mix into wider groups for specialist teaching, wraparound care and transport, ▪ All teachers and other staff can operate across different classes and year groups if that is needed to enable a full educational offer. ▪ If staff need to move between classes and year groups, they should try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults. ▪ Face to face contact will be avoided if possible and the time spent in close contact (within 1 metre of anyone) will be minimised ▪ The provision for a child with complex needs who require close contact care can be delivered as normal 	<p>Yes</p>	<p>Year group bubbles Rooming in zones for each bubble Within zone rooming minimises movement for each student group Year 7-9 in sets for English, Maths and Science only. All other subjects in mixed ability groups Year 10-11 in subject sets or option groups. Year 12-13 in class groups</p>	<p>L</p>	<p>RCL/KLL</p>
<p>The size and configuration of classrooms and teaching spaces does not support compliance with social distancing measures</p>	<p>M</p>	<ul style="list-style-type: none"> ▪ Net capacity assessment is completed, with each classroom and teaching space compliant with social distancing measures and in line with local and government guidance ▪ Where possible all pupil desks are forward facing and the teacher maintains at least 2 metre distance at the front of the class. ▪ All furniture not in use has been removed from classrooms and teaching spaces into safe storage ▪ Arrangements are reviewed regularly. 	<p>Yes</p>	<p>Rooms and heart spaces identified. Rooms identified have been set up following Dfe guidelines. Room(s) set up completed 30/08/20 and reset 27/10/20, 04/01/21. Reviewed 05/03/21 KW/vulnerable bubble rooms to hold no more than 15 students .</p>	<p>L</p>	<p>RCL SPR</p>

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

				From 15 th March this will increase to 30 pupils		
4.4 Management of movement in corridors						
Social distancing guidance is breached when pupils circulate in corridors	M	<ul style="list-style-type: none"> ▪ Circulation plans have been reviewed and amended. ▪ One-way systems are in operation where feasible. ▪ Corridors are divided where feasible. ▪ Circulation routes are clearly marked with appropriate signage. ▪ Any pinch points/bottle necks are identified and managed accordingly. ▪ The movement of pupils around school is minimised as much as possible. ▪ Where possible, pupils and staff stay in classrooms or in designated external areas ▪ Pupils are reminded regularly to observe social distancing guidance whilst circulating, supported by signage ▪ Appropriate supervision levels are in place. 	Yes	<p>Circulation plan drafted and under continual review</p> <p>Circulation signage in place where required for each zone ensuring narrow corridors do not need to be divided. Staff placed on identified pinch points with room exiting protocols have delayed exit timing to remove possibility of congestion. Pupils remaining in learning area and only leave to go to toilet, designated social area or leave site. Students will be reminded daily verbally and through signage of the importance of social distancing measures. Students and staff are expected to wear a face covering while moving between learning areas. Where required face coverings have been provided. All areas utilised are supervised at all times when students are present</p>	L	<p>CBE CBE/SPR</p> <p>Staff/CBE</p>
4.5 Management of social distancing at break times						
Pupils may not observe social distancing at break times	H	<ul style="list-style-type: none"> ▪ Break times are staggered if possible ▪ External areas are designated for different groups. ▪ Pupils are reminded about social distancing as break times begin. ▪ Social distancing signage is in place around the school and in key areas. ▪ Supervision levels have been enhanced, especially with younger pupils, to support social distancing. 	Yes	<p>Each year group has designated social space</p> <p>Teachers remind on daily basis of social distancing rules</p> <p>Duty staff supervise/remind pupils</p>	L	<p>RCL</p> <p>Staff/CBE</p>

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

4.6 Management of social distancing at lunch times						
Pupils may not observe social distancing at lunch times	H	<ul style="list-style-type: none"> ▪ Pupils are reminded about social distancing as lunch times begin. ▪ Pupils wash their hands using the 20 second routine, before and after eating. ▪ Dining area layouts have been configured to ensure social distancing (secondary) where practicable and avoid mixing of bubbles. Seating and staffing arrangements are consistent ▪ Floor markings are used to manage queues and enable social distancing. ▪ Additional arrangements are in place, such as staggering lunch times, , pupils eating in other appropriate spaces. ▪ Guidance has been issued to parents and pupils on packed lunches (e.g. the use of disposable bags instead of lunch boxes). ▪ Eating areas are cleaned in-between group usage and after lunch has ended ▪ Staggered lunchtimes are considered to reduce congestion providing this does not impact on the delivery of teaching time 	Yes	First day students are informed of expectations including handwashing which are reinforced by signage around the school including toilets. Teacher reminds on daily basis. Toilets allocated to each Year group for handwashing to be used as instructed. Canteen staggered provision set up so year groups can maintain social distancing when collecting food utilising allocated serving positions. Duty staff supervise/remind pupils	L	RCL RCL Staff/CBE CBE/SPR
4.7 Management of social distancing and hygiene in the toilets						
Queues for toilets and handwashing risk non-compliance with social distancing measures	M	<ul style="list-style-type: none"> ▪ Queuing zones for toilets and hand washing have been established and are monitored. These do not have to be segregated for different groups, but should not be used by members of different groups at the same time ▪ Floor markings are in place to enable social distancing. ▪ Pupils know that they can only use the toilet one at a time. ▪ Pupils are encouraged to access the toilet during class/throughout the day to help avoid queues. ▪ The toilets are cleaned frequently. ▪ Monitoring ensures a constant supply of soap and paper towels. ▪ Bins are emptied regularly. ▪ Pupils are reminded regularly on how to wash hands and young children are supervised in doing so. Signage is in place 	Yes	Each Year group have access to their own toilets. Students to be informed of toilet use protocol (2 in 2 out) including hand washing during first day back and reminded daily by staff Cleaning rota in place and quality assured twice daily All toilets have hand washing signs in place	L	CBE SPR JBA

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

4.8 Safety arrangements for the use of medical rooms						
<p>The configuration of medical rooms may compromise social distancing measures</p>	<p>M</p>	<ul style="list-style-type: none"> ▪ Social distancing provisions are in place for medical rooms behind a closed door if possible ▪ Additional rooms are designated for pupils with suspected COVID-19 whilst collection is arranged. ▪ Procedures are in place for medical rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. It is advised that household bleach is used after the room is vacated. ▪ Covid-19 first aid packs are available to ensure appropriate PPE for supervising staff ▪ Any member of staff providing assistance to someone with symptoms and any pupils who have been in close contact with them must wash their hands thoroughly for at least 20 seconds with soap and running water or use hand sanitiser after any contact with someone who is unwell 	<p>Yes</p>	<p>Appropriate PPE is in place for first aiders. Three rooms allocated. All situated away from bubbles and address social distancing requirements. Room 1 utilised for general first aid. Room 2 and 3 (A15, A16 - near external exit) is utilised for suspected COVID – 19 cases and meets all PHE guidelines. Cleaning protocols in place</p>	<p>L</p>	<p>SPR</p>
5. Securing and sustaining robust hygiene systems and procedures						
5.1 Cleaning						
<p>Cleaning capacity is reduced so that an initial deep-clean and ongoing cleaning of surfaces are not undertaken to the standards required</p>	<p>H</p>	<ul style="list-style-type: none"> ▪ An enhanced cleaning plan is agreed and implemented which minimises the spread of infection. ▪ Working hours for cleaning staff are increased to secure sufficient capacity to undertake an enhanced cleaning regime throughout the day ▪ Sufficient supplies of soap/handwash, paper towels, tissues and cleaning products are procured to ensure constant supplies are available in every teaching and washing space and this reflects increased demand in September when all pupils and staff return 	<p>Yes</p>	<p>Enhanced cleaning plan following updated (28th August) Dfe guidelines implemented. All areas made ready 300820 (deep cleaned). This includes use of foggers. Available cleaners have agreed to work through summer break and deliver revised hours from 010820. School has appointed two additional full time cleaners to ensure two cleaners are available at any time during the day to implement daily cleaning programme/high frequency Supplies have been procured so all areas including individual classrooms can be resourced for whole of Autumn/Spring term with required cleaning materials.</p>	<p>L</p>	<p>SPR</p>

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

				Cleaners work in bubble pairs on specified school zones		
5.2 Hygiene and handwashing						
Inadequate supplies of soap and hand sanitiser mean that pupils and staff do not wash their hands with sufficient frequency	H	<ul style="list-style-type: none"> An audit of handwashing facilities and sanitiser dispensers is undertaken before the school reopens and additional supplies are ordered Monitoring arrangements are in place to ensure that supplies of soap, hand towels and sanitiser are maintained throughout the day. 	Yes	Audit completed. Supplies ordered and delivered. Daily monitoring in place	L	SPR/JBA
Pupils forget to wash their hands regularly and frequently	M	<ul style="list-style-type: none"> Staff training includes the need to remind pupils of the need to wash their hands regularly and frequently. Posters and electronic messaging boards reinforce the need to wash hands regularly and frequently. School leaders monitor the extent to which handwashing is taking place on a regular and frequent basis. Pupils and staff are taught how to effectively wash their hands especially before and after eating, going to the toilet, or following direct contact with another person 	Yes	<p>Training addressed via well-being pack for staff and tutor time first day back for students. Students are expected and supervised by duty staff to use provided sanitiser on entry to school site, entry and exit within rooms and soap and water when using toilets. All toilets have handwashing signs including instructions</p> <p>On average a student will be supervised sanitising at least 12 times per day</p> <p>Hand sanitising stations are at all three site entrances in all rooms, identified printers, heartspaces and main reception.</p>	L	CBE
Equipment and resources	H	<ul style="list-style-type: none"> Individual and very frequently used equipment such as pencils and pens should not be shared Classroom based resources including books and games can be shared within the designated group but must be cleaned regularly Resources shared between groups such as sports, art and science equipment must be cleaned between group usage or decontaminated by leaving them out of reach for 48 hours (72 hours for plastics) Outdoor play equipment will be cleaned more frequently Pupils will be limited to what they can bring into school to: bags, lunch boxes, hats, coats, books, stationary and mobile 'phones when permitted 	Yes	<p>Classroom working protocol shared with students daily</p> <p>School timetable allows specialist areas/equipment to be cleaned between use</p> <p>Staff to wipe down classroom workstation (desk and whiteboard) and any resources used at end of each lesson when a changeover is required</p>	L	<p>Teaching staff</p> <p>RCL</p> <p>Teaching staff</p>

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

5.3 Personal Protective Equipment (PPE)						
Pupils and teachers can take books and other shared resources homes, but unnecessary sharing should be avoided						
Provision of PPE for staff where required is not in line with government guidelines	H	<ul style="list-style-type: none"> Government guidance on wearing PPE is understood, communicated and sufficient PPE has been procured. Those staff required to wear PPE (e.g. SEND intimate care; receiving/handling deliveries; cleaning staff) have been instructed on how to put on and how to remove PPE carefully to reduce contamination and also how to dispose of them safely. Staff are reminded that wearing of gloves is not a substitute for good handwashing. Face coverings are not ordinarily required in school. Children under the age of 11 are not required to wear face coverings in or out of school including public transport. Schools that teach years 7 and above recommend the wearing of face coverings for pupils, staff or visitors in communal areas outside the classroom where the layout of the schools makes it difficult to maintain social distancing when staff and pupils are moving around the premises, for example, corridors. Students and staff that do not have a confirmed exemption will be expected to wear face coverings in classrooms during lessons, as well as in corridors and indoor communal spaces. Access to a face covering, or where a student/staff member are unable to use their face covering due to having forgotten it or it having become soiled or unsafe, the school has taken steps to have a small contingency supply available to meet such needs and. Students/staff also have access to training in the safe wearing and removal of face coverings 	Yes	PPE has been procured but limited stock from LA. TRUST are supporting with additional requirements. Training for cleaners and First Aiders has already been completed. Staff updated during TTD on 1 st September. This includes provision and CPD for staff who wish to wear a visor or mask both meeting PHE standards. Masks also available for students who do not have a second mask to utilise while on site. Staff and students from 140920 are expected to wear a face covering as they move between lessons and at break times in corridors and in heart spaces. This will become mandatory in the event of a local lockdown. They will be free to remove their face covering in outdoor social spaces if they wish. Staff are not required to wear a mask from within their COVID boxed area within a classroom when teaching.	L	CBE/SPR
Failure to fit, wear, store and dispose face coverings safely contributes to the transmission of infection	H	<ul style="list-style-type: none"> Face coverings should be worn safely by adults and pupils (year 7 and above) when moving around the premises, specifically outside of classrooms, such as in corridors and communal areas where social distancing cannot easily be maintained. This should cover entrance and egress of the premises see: <u>safe working in education</u> (face coverings should be put on before entering the building and not removed until leaving the building when outside of the classroom) Those with a physical or mental illness or impairment or disability or those who provide assistance to someone who relies on lip reading, 	Yes		L	CBE Hub dir

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

		<p>clear sound or facial expression to communicate, may be exempted (clear pane face coverings may be appropriate in some instances) see: face coverings</p> <ul style="list-style-type: none"> An emergency supply of face coverings for contingency purposes is available if required. All staff are aware of the process for managing face coverings in school which includes the hygienic fitting, removing, storage and disposal (sealable plastic bags between use). 				
6. Curriculum organisation: the provision of an education offer for all through school attendance or remote learning						
6.1 Provision for Vulnerable pupils						
<p>Clear identification processes are not in place to identify vulnerable children</p>	M	<ul style="list-style-type: none"> An analysis of the school roll has been conducted to identify all pupils who meet the Government’s vulnerable pupil criteria Where there is a safeguarding concern pupil attendance is strongly encouraged and any concerns shared with the relevant social worker When a pupil is identified as vulnerable because of challenges in accessing remote learning, all reasonable actions will be taken (eg provision of a laptop) before determining school attendance is required 	Yes	<p>On site (and online) literacy and numeracy small group/individual intervention for Year 7-9 to commence from 180121</p> <p>Educational Psychologist working on site (Thursdays) from wc 8th February</p>	L	<p>RCL MTH DOL</p>
<p>A clear understanding of the options available to teach children with SEND has not been communicated with parents, including those with an EHC Plan</p>	H	<ul style="list-style-type: none"> Arrangements are in place for all pupils with an EHC Plan to attend school full-time unless parents choose not to accept the offer The provisions specified in the EHC Plan are delivered in accordance with statutory entitlement, but where this presents an additional transmission risk, creative alternative arrangements are considered where practicable External specialists including health professionals and peripatetic services are enabled to deliver necessary services directly in school if necessary 	Yes		L	<p>MTH</p>
6.2 Provision for the children of critical (key) workers						
<p>Pupils whose parents are critical (key) workers and it is evident that they cannot remain at home are not offered a school place and the parent is unable to work</p>	M	<ul style="list-style-type: none"> Arrangements are in place to identify critical workers who are not able to keep their children at home and deliver their role and a placement is made available 	Yes	<p>On site (and online) literacy and numeracy small group/individual intervention for Year 7-9 to commence from 180121</p> <p>Educational Psychologist working on site (Thursdays) from wc 8th February</p>	L	<p>DOL MTH Hub dir</p>

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

				delivered via video through TEAMS		
Risk of infection when resuming sporting enrichment provision	H	<ul style="list-style-type: none"> No indoor team sports to be played No more than 20 students in each session (12 for Badminton)- sign up sheets to be completed by PE staff Students to leave school in their PE kit Staff to make sure all students are out of the changing rooms and offsite once the activity has finished. Water fountain to be cleaned at the end of session 	Yes	Timetable to commence Mon 5 th October for Mon, Wed, Thurs and Fri only If cleaning capacity decreases enrichment timetable will be postponed Enrichment timetable postponed from 021120 in response to national restrictions and recommenced on 3 rd December All sporting enrichment postponed while in tier 4 or above. Enrichment to commence from 15th March following removal of national lockdown restrictions	L	NMA/SPR
Risk of infection from practically working with food	H	<ul style="list-style-type: none"> Food lessons delivery has taken into consideration guidance provided by https://www.food.gov.uk/business-guidance/reopening-and-adapting-your-food-business-during-covid-19 During lesson increased handwashing is encouraged. Increased capacity for this by using two extra sinks for handwashing rather than food washing within room. Using screens or barriers to separate people from each other. Using back-to-back or side-to-side working (rather than face-to-face) whenever possible. Reducing the number of people each person has contact with by using 'fixed teams or partnering' (so each person works with only a few others). Aim to complete as many practical's so students are working independently where possible Reducing the number of surfaces touched by both staff and customers. All equipment for practicals will be taken out of the cupboards prior to the practical and then will be washed by staff and returned by staff. This will reduce the contact by the students and reduce the risk of cross contamination. The food room will be sanitized and cleaned before any practical lesson and after every practical lesson in line with the schools cleaning policies. This also applied when before and after the room is used between the different year bubbles. 	Yes		L	JHU

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

		<ul style="list-style-type: none"> During all practical lessons all windows will be open to allow adequate air flow and ventilations of the food room 				
Self-isolation, partial or full local lockdown means students cannot access the school's curriculum and fall behind in their learning	M	<ul style="list-style-type: none"> Self- isolating students have access to lesson materials through Microsoft teams with progress support provided by hub team, subject teacher Virtual learning timetable implemented which includes all students having access to live lessons delivered by their subject teachers 	Yes	Software in place so students can access virtual learning from home – 010920 Virtual learning timetables in place – 140920, 040121 Staff CPD – ongoing Online targeted intervention in numeracy and literacy for Year 10 to commence 180121	L	RCL
7. Enhancing mental health support for pupils and staff						
7.1 Mental health concerns – pupils						
Pupils' mental health has been adversely affected during the period that the school has been closed and by the COVID-19 crisis in general	H	<ul style="list-style-type: none"> There are sufficient numbers of trained staff available to support pupils with mental health issues. There is access to designated staff for all pupils who wish to talk to someone about wellbeing/mental health. Wellbeing/mental health is discussed regularly in PSHE/ /pupil briefings (stories/toy characters are used for younger pupils to help talk about feelings). Resources/websites to support the mental health of pupils are provided. 	Yes	Well-being/orientation days Weekly phonecalls made by pastoral staff and mentors	L	MTH/AHA/VWR/LDI/DOL
7.2 Mental health concerns – staff						
The mental health of staff has been adversely affected during the period that the school has been closed and by the COVID-19 crisis in general	H	<ul style="list-style-type: none"> Staff are encouraged to focus on their wellbeing. Line managers are proactive in discussing wellbeing with the staff that they manage, including their workload. Staff briefings and training have included content on wellbeing. Staff briefings/training on wellbeing are provided. Staff have been signposted to useful websites and resources. 	Yes	Well-being survey completed 10/07/20 Revised well-being packs provided 010920 Phone calls made by HT/DHT/HR on a weekly basis	L	CJU/RCL/SGA
Working from home can adversely affect mental health	M	<ul style="list-style-type: none"> Staff working from home due to self-isolation have regular catch-ups with line managers. Staff are encouraged to speak regularly with colleagues, take regular breaks and exercise. Appropriate work plans have been agreed with support provided where necessary. 	Yes	Staff preferring to work on site are allowed Staff live teaching timetables reduced to approx. %70-80% to provide additional time for planning	L	CJU/HR

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

		<ul style="list-style-type: none"> Staff working from home may help provide remote learning for any pupils who need to stay at home. 		Office chairs, tables, larger screens, screen filters made available for staff on request		
7.3 Bereavement support						
Pupils and staff are grieving because of loss of friends or family	H	<ul style="list-style-type: none"> The school has access to trained staff who can deliver bereavement counselling and support. This includes the Council's critical incident team Support is requested from other organisations when necessary. 	Yes		L	HR/OH
8 Governance and policy						
8.1 The role of Governors						
Lack of governor oversight during the COVID-19 crisis leads to the school failing to meet statutory requirements.	M	<ul style="list-style-type: none"> The governing body continues to meet regularly via online platforms. The governing body agendas are structured to ensure all statutory requirements are discussed and school leaders are held to account for their implementation. The Headteacher's report to governors includes content and updates on how the school is continuing to meet its statutory obligations in addition to covering the school's response to COVID-19. Regular dialogue with the Chair of Governors and those governors with designated responsibilities is in place. Minutes of governing body meetings are reviewed to ensure that they accurately record governors' oversight and holding leaders to account for areas of statutory responsibility. 	Yes	Site visit completed with Health and Safety link Governor, TRUST HS advisors and TU reps 140720, 050121	L	CJU
Governors are not fully informed or involved in making key decisions	M	<ul style="list-style-type: none"> Online meetings are held regularly with governors. Governing bodies are involved in key decisions on reopening. Governors are briefed regularly on the latest government guidance and its implications for the school. 	Yes	Updated by CJU	L	CJU
8.2 Policy review						
Existing policies on safeguarding, health and safety, fire evacuation, medical, behaviour, attendance and other policies are no longer fit	M	<ul style="list-style-type: none"> All relevant policies have been revised to take account of government guidance on social distancing and COVID-19 and its implications for the school. Behaviour policies recognise that adverse experiences of lockdown and or lack of routine and regular attendance at school may lead to levels of disengagement, anxiety and behavioural responses setting 	Yes	Safeguarding Health and Safety Medical Fire evacuation Attendance Behaviour	L	DOL Trust CBE CBE RCL RCL

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

for purpose in the current circumstances		reasonable and proportionate expectations of behaviour and make appropriate provision to support <ul style="list-style-type: none"> ▪ Staff, pupils, parents and governors have been briefed accordingly. ▪ Governors have approved revisions ▪ A review of the child protection policy to reflect the move to remote education for most pupils has been undertaken. ▪ This is reflected as a coronavirus (COVID-19) addendum that summarises related changes ▪ All staff are aware of the revised policy. 		GDPR Staff to be informed of all changes via induction packs and sign off Parents/pupils privacy notice amended to reflect update in what information is shared with Local Public Health Protection teams		CBE CBE CBE
Covid 19 outbreak in group, whole school or area lockdown will further disrupt learning	H	<ul style="list-style-type: none"> ▪ A remote education plan is in place that covers continuing education provision at a group, whole school and local area lockdown level ▪ High quality online and offline resources and teaching videos have been sourced, quality assured and approved – these will be applied consistently across all groups ▪ Remote education is integrated into the school’s curriculum planning ▪ Printed resources are available for those that cannot access the internet physically or cognitively ▪ The curriculum is planned to ensure that knowledge and skills are built incrementally and clear explanations of content are delivered by a teacher in school though high-quality curriculum resources and/or videos with face to face virtual contact as appropriate – ideally daily 	Yes	Blended curriculum introduced across all subjects so delivery can take place both in school or at home Virtual learning timetable for all students provided from 040121 All students and staff have access to curriculum materials and dialogue through Sharepoint single platform	L	RCL/HOF
9. Other operational issues						
9.1 Review of fire procedures						
Fire procedures are not appropriate to cover new arrangements	M	<ul style="list-style-type: none"> • Fire procedures have been reviewed and revised where required, due to: • Reduced numbers of pupils/staff • Social distancing rules during evacuation and at muster points • Possible need for additional muster point(s) to enable social distancing where possible • Staff and pupils have been briefed on any new evacuation procedures. • Incident controller and fire marshals have been trained and briefed appropriately. 	Yes	Revised evacuation muster points introduced: Year 7 – football pitch lower Year 8 – football pitch middle Year 9 – football pitch higher Year 10 – Bottom tennis court (1) Year 11 – Bottom tennis court (2) Year 12 – car park (1) Year 13 – Car park (2)	L	CBE

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

				Support staff/Visitors – car park (3) Staff briefed via induction pack and presentation Students briefed during first day back Rooms in each zone have relevant fire evacuation procedure on display Successful fire drill completed 021020		
Fire evacuation drills - unable to apply social distancing effectively	M	<ul style="list-style-type: none"> Plans for fire evacuation drills are in place which are in line with social distancing measures. 	Yes	Fire drills changed to maintain social distancing between year groups	L	CBE
Fire marshals absent due to self-isolation	M	<ul style="list-style-type: none"> An additional staff rota is in place for fire marshals to cover any absences and staff have been briefed accordingly. 	Yes	Site services team and SLT members on site to act as fire wardens when required	L	SPR
9.2 Free school meals						
Pupils eligible for free school meals do not receive them		<ul style="list-style-type: none"> Voucher scheme introduced and monitored Food parcels made available 	Yes	Food parcels made available for collection from 26/01/21		DOL Hub Dir
9.3 Contractors working on the school site						
Contractors on-site whilst school is in operation may pose a risk to social distancing and infection control	H	<ul style="list-style-type: none"> Ongoing works and scheduled inspections for schools (e.g. estates related) have been designated as essential work by the government and so are set to continue. These will be organised outside of school hours wherever reasonably practicable An assessment has been carried out to see if any additional control measures are required to keep staff, pupils and contractors safe. Assurances have been sought from the contractors that all staff attending the setting will be in good health (symptom-free) and that contractors have procedures in place to ensure effective social distancing is maintained at all times. Alternative arrangements have been considered such as using a different entrance for contractors and organising classes so that contractors and staff/pupils are kept apart. 	Yes	Contractor management procedures have been updated to reflect additional guidelines Revised visitor protocols No peripatetic staff in for first half term (phase 1 - September)	L	SPR RSM RLE

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

	H	<ul style="list-style-type: none"> ▪ Social distancing is being maintained throughout any such works and where this is not possible arrangements are reviewed. ▪ In addition to arrangements for COVID-19, normal contractor procedures are being applied and have been updated in light of COVID-19 (including contractor risk assessments and method statements, and contractor induction). 			L	
10. Additional site-specific issues and risks						
Schools to add any site-specific issues/arrangements here and ensure mitigation strategies are in place to address them						
Children who routinely attend more than one setting (e.g. dual registered, KEYS intervention programme or alternative provision)	H	<ul style="list-style-type: none"> ▪ The school, working with the setting will ensure that all risks are addressed collaboratively to jointly deliver a broad and balanced full-time curriculum ▪ Students attending Post 16 Select lessons at Barr’s Hill school will be transported using the school minibus. The minibus will have a dedicated hygiene station with hand sanitiser, which the students will be expected to use before entering the vehicle and when exiting the vehicle. Groups are small and within a bubble. Social distancing will be implemented between students and the driver. The driver and students will wear face coverings and the process of removing the face covering will be overseen by the driver. Cleaning of frequently touched surfaces will be undertaken after each use and disposable plastic seat coverings will be used. Windows will be left open to ensure ventilation. PKS and Barr’s Hill students will form a bubble but will be seated in different parts of the classroom, socially distanced. 	Yes	P16 select – no travel between 3 consortium schools for first 2 weeks. Lessons will be delivered virtually outside of host school for students COVID secure 6 th form transport system (between sites) in place – 140920.	L	AFA/RCL
Staff using public transport may pose a risk to social distancing and infection control	H	<ul style="list-style-type: none"> • Staggered timetable. Staff only timetabled on site when required. • All staff have been asked if public transport is required for their journey to work. Where it is, rotas avoid peak times or the need to use public transport where possible and a personal safe transport approach has been agreed. 	Yes	Personal travel safety plan agreed with relevant staff	L	CJU/CBE
Students using public transport may pose a risk to social distancing and infection control	H	<ul style="list-style-type: none"> • Staggered timetable • Students and parents reminded via letter and guidance pack of actions they can take to reduce risk if having to use public transport 	Yes	Students reminded to wear face covering	L	RCL/CBE
Students using shared bike storage provision	H	<ul style="list-style-type: none"> • Bike storage provision segregated so each Year group has access to individual storage for bikes 	Yes		L	SPR

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

may pose a risk to infection control						
Staff and students who are at risk from harm due to high temperatures are at greater risk of severe illness due to COVID-19	H – based on current weather conditions	<ul style="list-style-type: none"> Staff provided with PHE guidance to follow 25/06/20 and 01/09/20 https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/891887/Beat-the-Heat_Leaflet_Coping_with_heat_and_COVID-19.pdf Staff and students provided with drinks to supplement their own throughout the day to remain well hydrated Planned activities reflect the current weather conditions so for example, when it is hot, extreme physical exertion is avoided Regular breaks are timetabled Rooms used are well ventilated. Use of 'ordinary' fans in learning areas that do not recirculate the air - but are restricted to class bubbles. 	Yes		L	CBE
Inadequate ventilation can increase risk of COVID-19 transmission	H	<ul style="list-style-type: none"> Inner or windowless rooms with mechanical forced ventilation adjusted to 100% fresh air and used providing ventilation is not shared across other rooms. Classroom doors remain open and this will assist with cross room ventilation with further ventilation being provided by opening external doors to corridors when required. <p>https://www.hse.gov.uk/coronavirus/equipment-and-machinery/air-conditioning-and-ventilation.htm</p>	Yes	Revised protocol in place from 26/10/20 to restrict impact of colder weather on students and staff while maintaining necessary ventilation requirements. Windows opened to 25% capacity. Extraction fans utilised in Science labs. Staff and students allowed to keep external coats (not hoodies) on during lesson time. Heating remains on when required	L	SPR
External lettings increase the amount of cleaning required after site closure	H	<ul style="list-style-type: none"> Lettings will not take place during the Autumn term if additional cleaners are not in place and current cleaning guidelines cannot be implemented. Those cancelled since March notified that cancellation remains in place until further notice informed by future PHE guidance and recruitment 	Yes	Existing facility users notified on 17/07/20 that there is still no provision for lettings. This will be reviewed again at the end of October and December or if external guidance changes	L	CBE
Shared access to water fountains across zones could lead to increased risk of infection	H	<ul style="list-style-type: none"> All zoned areas to have access to a water dispenser 	Yes	Water dispensers in place 140920	L	SPR
Access barriers to testing could put non symptomatic	H	<ul style="list-style-type: none"> Small quantity of home use testing kits kept on site to be used for students/staff only who develop one of the symptoms of 	Yes	Additional test kits to be ordered when required from 16 th September	L	CBE

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

students/staff at increased risk of infection and unnecessary loss of time from school for those who are symptomatic		coronavirus (COVID-19) and face significant barriers to accessing a test as determined by the school following DFE guidance		LFT centre to be set up to start staff/student mass testing from 140121. Review and upscaling complete by 050321		
Proximity contacts within PE lessons are difficult to trace	H	<ul style="list-style-type: none"> All groups to have a consistent "seating plan" in the changing rooms. To change next to the same students each lesson so that proximity contacts can be traced. All groups have consistent 'pairs' or 'groups' when working on practical lessons so that proximity contacts can be traced. 	Yes	Commenced from 210920	L	NMA
Proximity contacts within lessons are difficult to trace	H	<ul style="list-style-type: none"> All groups to have live seating plans so proximity contacts can be traced 	Yes	Commenced from 210920	L	All staff
Parents and children are not aware of self-isolation regulation when returning from abroad if countries visited (or transit stop) fall outside of travel corridor exemption	H	<ul style="list-style-type: none"> Parents/guardians contacted prior to school holiday periods to advise of updated guidance at: https://www.gov.uk/guidance/coronavirus-covid-19-travel-corridors 	Yes	Commenced from 051020 Reminded again via letter on 23/10/20	L	Hub Dir
Individual students/counsellors at risk from transmission	H	<ul style="list-style-type: none"> COVID secure rooms utilised with the following protocol in place for individual appointments: Counsellors wear masks and apply sanitiser frequently around school, windows open, at least 2m apart, use of partition screens and wiping down of desk as well as plastic seats between sessions, student and counsellor wear visors 	Yes	Commenced from 121020	L	DOL/NHA
Individual Year 11 students, parents and staff at risk from transmission during targeted meetings	H	<ul style="list-style-type: none"> COVID secure rooms utilised with the following protocol in place for individual appointments: Parents and students wear masks and apply sanitiser frequently, windows/doors open, at least 2m apart, use of partition screens and wiping down of desk as well as plastic seats between sessions, teacher wears visor 	Yes	Commenced from 121020	L	Staff involved with Year 11
Students increased risk of transmission in practical subjects where	H	<ul style="list-style-type: none"> In Food, music and science practical activities students and staff must wear face mask for duration of activity (in music 	Yes	Commenced from 091120	L	Science, food and music staff

Covid19 Operational Risk Assessment – planned opening of Secondary Schools

movement between stations is required		can be removed once in screened zone) within lesson and maintain social distancing where possible				
Increased risk of transmission within PE changing areas shared by more than one-year group due to loss of F block	H	<ul style="list-style-type: none"> All PE classes get changed in the PE changing rooms. Where two year groups are due to be taught the changing rooms will be split into half and a barrier in place so students cannot cross over. Changing rooms will be supervised and students will enter/leave through one door. Students are expected to wear masks while changing if more than one year group in present. In between lessons, high touch surfaces will be wiped down at the end/towards the start of the next period. All windows will remain open throughout the day. Where class sizes are too large to accommodate in the changing rooms, one year group will get changed in the fitness room, and the other in the changing rooms. 	Yes	Commenced from 301120	L	Pe department
Poor weather increases risk of transmission and accidents due to unsafe floor surfacing with students having to have PE delivered indoors	H	<ul style="list-style-type: none"> When the weather is too poor for outdoor PE to take place groups will be collapsed in the Sports Hall (one year group only, no mixing of years). All students will sanitise their hands on the way in and out of the Sport Hall. Students will be put into teams with members from their normal PE class, and a either a fitness session will take place where groups are 2m apart, or a dodge ball tournament will take place where teams remain 2m apart. All equipment used will be cleaned down after each session. 			L	NMA
